

CS CAREER PATH

Culinary Specialists operate and manage Navy messes and living quarters established to subsist and accommodate Navy personnel. They prepare menus, manage and account for subsistence inventories and prepare and maintain financial records. It is commonly accepted that the “mess decks” or dining areas aboard ships are the “Heart of the ship” and the role Culinary Specialists play in the morale of the ship is very important. CSs are needed on every ship and shore base in the Navy. Navy Culinary Specialists provide food service for Admirals and senior government executives. Career path should include diverse assignments ashore and afloat that enhances culinary skills and leadership abilities and promotes the future success of the rating by developing junior Sailors.
