Pride of the State of California

Quote: "Knowledge is a powerful thing; use it to the fullest extent. Nuff sed"

As a brand new sailor onboard ARDENT, EMFN Dineros is well on his way on becoming an integral part of the Engineering Department. EMFN is adamantly learning the role of repair electrician and sound & security during DCTT and ETT drills. He has also assisted repairing on NR 2 MPAC and NR 2 Potable Water motor controllers, replacing 1A and 1B SSDG air filters, and replacing a wattmeter on the minesweeping switchboard. His support does not only stop in the Engineering Department. EMFN Dineros serves the crew as a Food Service Assistant. His upbeat demeanor and positive attitude uplifts the morale of the crew everyday.
