Supply Dept Sailor in the Spotlight: CS1 Noel Venturina

Pride of the Philippines

Quote: "If you do not hope, you will not find what is beyond your hope."

CS1 Venturina is Supply Department's Leading Petty Officer, responsible for the development of our ship's cooks. Thanksgiving was still on everyone's minds as he put his special touch to a Christmas meal that had everyone feeling jollier than they expected. He and his fellow MWR representatives did a marvelous job in providing the command with wonderful food, drinks, prizes, and a great time was had by all. There are whispers of a "30 deserts in 30 days" menu that will start in January... Here we go again!!! Thank you for your continued efforts and congratulations on being recognized as this month's Supply Department's Sailor in the Spotlight!!
