

MCM CREW FEARLESS SAILOR IN THE SPOTLIGHT

"FROM COURAGE, VICTORY..."

September 01, 2011

Supply Dept Sailor in the Spotlight:

CSSA Michael Elston

Pride of the State of California

Quote: "The future belongs to those who plan for it today." ~unknown

"Live every day as if it were your last."

Goaled with providing "food for thought" for Crew Fearless and he delivered in a big way! CSSA Elston is a fast riser in the galley and taking on more responsibilities each week but having fun never gets lost with him. While every cook has fun establishing signature dishes, the month of August saw him lay claim to two. Whether you're biting into one of his breakfast burritos or watching him whip up a mid day quesadilla, smiles are abundant and morale is sky high. He also completed three DC qualifications!! Bravo Zulu on a great month, shipmate!!

If I were the CO I would: Keep believing in this command because it's such a strong one.

If I were the XO for the day I would: Allow part of the crew to PT each day before lunch.
